

WASTEC Awards Program 2009

You asked – we listened!

You asked us to make it easier to nominate someone for a WASTEC Employee of the Year Award — so we did. Simply complete the nomination form and return it no later than January 15, 2010. We'll confirm receipt and schedule an appointment to interview you about the nominated employee's attributes and contributions to make our determination. We'll provide you with some guidelines about what we'll cover in the interview, so we can learn about all the wonderful qualities the nominee possesses.

No more essays, no more hassles — just a conversation.

The WASTEC Awards provide a unique opportunity to recognize the best in our industry. Help us honor our most valuable asset: our members.

Eligibility

The award recipient must be an employee of a WASTEC member company, and the company must be a member in good standing, at the time of the nomination as well as when the awards are presented. Past winners may not receive the same award in two consecutive years.

Nominations

One nominee per category, per company. To submit a nomination, simply complete the short nomination form and return to WASTEC.

Judging

The Employees of the Year will be selected by a panel of judges representing manufacturers and other member types. A phone interview will be conducted with the nominator to gather information about the nominee's achievements and contributions to the company.

The Member of the Year and Distinguished Service award winners will be selected by the WASTEC Board of Governors.

Recognition of Winners

Winners will be notified by mail/email in February 2010 and announced at the WASTEC Annual Conference in March 2010. Awards will be presented at WasteExpo 2010; should your employee be chosen as a winner, it is understood that he/she will travel to Atlanta at your company's expense, to accept the award.

Deadline for submission is January 15, 2010

Nominate Your Best!

2009 WASTECC Employee of the Year Nomination

Nomination Category:

Engineering: This award is designed to recognize excellence of an engineering employee at a WASTECC member company. The candidate does not have to be a degreed engineer but must be involved in the design of the product or in a manufacturing/industrial engineering position. The employee will be judged on contributions to the company in the areas of design, evaluation, and manufacturing.

Production: This award is designed to recognize excellence of a front line worker involved in the actual manufacturing/assembling of equipment. The employee will be judged on contributions to the company in the areas of quality, productivity, service, and cost reduction.

Sales/Marketing: This award is designed to recognize excellence of a sales and/or marketing employee of a WASTECC member company. The candidate should be at the representative level and will be judged on specific successes and how these benefited the company in the areas of sales, marketing, customer service and product knowledge.

2009 WASTEC Member of the Year Award Nomination

2009 WASTEC Distinguished Service Award Nomination

2009 WASTEC Member of the Year: The Member of the Year will be selected based upon extraordinary service to the mission and goals of the association and the industry over the last 12 months. The award is presented to recognize the highest spirit of volunteerism and involvement, personal integrity, professionalism, and performance in an honorable and ethical manner.

Distinguished Service Award: Distinguished Service Awards will be presented to long-standing members of the association who have rendered service in pursuit of its mission and goals over a period of time, generally spanning a number of years.
