

Committee Roster

Accredited Standards Committee Z245 on Equipment Technology and Operations for Wastes and Recyclable Materials

Secretariat: Waste Equipment Technology Association,
Part of Environmental Industry Associations
4301 Connecticut Avenue, NW, Suite 300, Washington, DC 20008-2304
Phone: (202) 244-4700 Fax: (202) 966-4824

To: Members, Representatives and Alternates of ASC Z245
From: Gary Satterfield, Chairman and Acting Secretary

Subj: ASC Z245 Roster

The attached roster is the result of the annual verification of interest and commitment to participate on Accredited Standards Committee Z245.

In accordance with our current operating procedures, members have been identified as individuals, companies, organizations or agencies. Representatives and their alternates (if designated) are identified for company, organization or agency memberships. The current interest category for each member is indicated.

If there are any corrections to the information listed, please contact the Secretary.

Title: The title of the consensus body is Accredited Standards Committee Z245, Equipment Technology and Operations for Wastes and Recyclable Materials.

Scope: The scope of Accredited Standards Committee Z245 is:

Design, manufacture, installation, modification, servicing, maintenance and use of equipment technology, including the operations of facilities and activities in which this technology is incorporated, for the purposes of collection, transportation, containment, processing, treatment and disposal of wastes and the collection, transportation, containment and processing of recyclable materials.
