

2012 EIA-NSWMA-WASTEC Dues Contribution Program (DCP)

Companies that exhibit at Waste Expo, whether EIA, NSWMA or WASTEC members, are eligible to participate in the Dues Contribution Program (DCP). Companies receive a \$3 (or more*) per square foot savings on their exhibit space, and a portion or all of their dues are paid by Penton Media based on their booth space. Please refer to the chart outlining the booth savings and the contribution towards dues for the amounts.

Here are two examples:

Company ABC has a 100 square foot booth space at WasteExpo and is a WASTEC distributor member with dues of \$700. They will receive a \$300 discount on their booth space and \$404 will be paid by Penton Media towards their dues. Company ABC will pay \$296 to WASTEC for the remainder of their dues.

Company XYZ has a 200 square foot booth space at WasteExpo and is a WASTEC distributor member with dues of \$700. They will receive a \$600 discount on their booth space and \$808 will be paid by Penton Media towards their dues. Company XYZ pays NOTHING for membership because their dues are completely covered by the contribution.
