

Future Industry
Leaders Alliance

FILA is a division of the Environmental Industry Associations.

FILA's Purpose

The EIA Future Industry Leaders Alliance (FILA) consists of men and women in management positions in the solid waste industry. The purpose of FILA is to support and foster the career advancement of its members. Today's managers are the industry's existing and future executives and leaders.

FILA Provides Opportunities

- * To improve and learn new business, financial and management skills.
- * To improve and develop new leadership skills.
- * To tour other member's facilities.
- * To network and socialize with your peers.
- * To raise issues and problems for group consideration.

Annual Membership

\$250 full membership if your company is a member of NSWMA or WASTEC.
\$300 affiliate membership if your company is not a member.

Questions?

Please contact Steve Changaris at schangaris@nswma.org or 508-839-4751.

Future Industry Leaders Alliance

FILA's Goals

Promote the professional leadership and executive advancement of members through education, networking and mentoring.

Develop programs in the areas of business, the waste industry, leadership and executive communication to foster a positive image of members before government, industry, media, and the public.

Provide opportunities for members to freely meet and share management and business ideas, concerns and issues in a confidential manner in full compliance with all applicable laws.

Provide opportunities for members to organize programs and events to draw upon the expertise and wisdom of successful business leaders and others.

FILA Membership Benefits

- * Connect with other industry leaders
- * Develop your personal and professional goals
- * Learn about cutting-edge business developments
