“Be Safe, Be Proud”

An OSHA-Sponsored Safety Video

This 18-minute, viewer-friendly video was developed by the National Solid Wastes Management Association (NSWMA) under a grant from the federal Occupational Safety and Health Administration (OSHA) awarded to the Environmental Research and Education Foundation (EREF). This unique training video uses actual employees in real situations to focus on the workplace hazards faced by drivers and helpers on residential collection routes. Segments on safe commercial collection and disposal practices also are included.

Be Safe, Be Proud is available in VHS or DVD in English or Spanish for \$29 each!
